Inspector Nellie Boynton Visits Relief Corps—Gavel from Panama to Eastern Star Chapter—Royal Arcanum Scholarships—Rebekah Past Noble Grands—Pythian Sisters Celebrated 11th Anniversary.

WOMAN'S RELIEF CORPS.

Department Inspector Nellie Boynton of Branford, who visited the New London corps on Thursday, made an official visit to Sedgwick corps, No. 16, on Friday afternoon at the Buckingham Memorial. To greet the state officer the corps members were out in full force, every officer present, twelve past presidents and many of the charter members. The meeting was held to order by the president, Mrs. Emma Covey, who welcomed the visiting inspector, and the work was explained in excellent form in the banquet hall. The records of Secretary Nellie E. Bailey and Treasurer Lydia T. Perkins had also been inspected, and all the affairs of the corps passed muster with a high ranking. The condition of the corps, as shown by the synopsis of the meeting, was also shown to be very satisfactory.

In the business meeting after the inspection national orders were read with the announcement of the new national officers. It was voted to have the department officers here for October 22, which is the second meeting of the corps in the south.

Inspector Boynton was entertained at dinner at Mabrey's by the president, secretary, treasurer, and chairman of the executive committee.

There was an attendance of about 135 at the annual "Old Home Day" at the Woman's Relief Corps home in Cranwell, Wednesday the visitors coming from all parts of the state. Dinner was served to the visitors at noon. The home was prettily decorated with flags and bunting. All of the visitors brought donations from the corps in their home towns, the New London corps sending a handsome autograph quilt. The visitors were welcomed by Mrs. William H. Davis of East Hampton, president of the board of directors, Rev. Francis Purvis, pastor of the Baptist church, and Rev. H. W. Hildreth of the Congregational church made remarks. Miss Alice Slater, state president of the Woman's Relief Corps, gave an interesting description of the condition at Salt Lake City. Mrs. Caroline B. Buell of East Hampton, state president of the Woman's Christian Temperance union, also spoke, and there was a programme of recitations and music.

EAGLES.

Norwich Aerie, No. 367, with President E. Percy Armstrong in the chair, held its regular meeting Monday evening in Eagles' hall. The president made an interesting report on the state aerie meeting at New London, and also the fall convention at Derby. The question of holding a fair was discussed, and it was decided to put one on at as early a date as possible. The time and place are to be decided later. The aerie has several applications coming in at the next meeting it is expected.

The annual meeting of the grand aerie has just been held at Omaha, at which it was shown that the order had made a remarkable growth since it started eleven years ago with eleven members. It now has 466,000. Frank E. Harrington of South Bend, Indiana, was elected national president. St. Louis secured the next grand title. The counting of the votes showed that St. Louis received 1,194 to 1,069 for Louisville. The trustees elected were T. A. Bell, Napa, Cal.; H. J. Lea, Seattle, Wash.; O. A. Kane, Cleveland, and W. F. Gartland, Boston.

These papers will be specially prepared for the grange meeting.

A WARNING

Don't be Humbugged with Cheap, Worthless Imitations

Since its introduction into the United States, the sales of Parian Sage have been phenomenal. This success has led to many imitations similar to name. Look out for them, they are not the genuine. See that the girl with the Auburn hair is on every package. You can always get the genuine at The Lee & Osgood Co. Parian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Santerbon's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs. Parian Sage kills these dandruff germs and removes all trace of dandruff in two weeks; it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality.

Parian Sage is a daintily perfumed hair dressing; not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using it.

Beware of imitations; look for the girl with the Auburn hair on every package. Parian Sage is now sold by leading druggists all over America and is guaranteed by The Lee & Osgood Co. to cure dandruff, stop falling hair and itching scalp in two weeks or money back. Fifty cents a large bottle. Made in America by Groux Mfg. Co., Buffalo, N. Y., who fill all orders, all charges prepaid.
